## Next Week

## OPPORTUNITIES FOR GIVING

### Troop Support

Since Mrs. Skaggs issued the M & M Challenge, items to send to the troops have been pouring in. Way to go! The deadline for these donations is Friday, December 2, so they're received by Christmas.

### Wyoming Migrant Health

Our local Wyoming Migrant Health Program is putting together emergency kits for some of their needier clients. They would appreciate our help. Please send canned goods to Southside between November 23 and December 2.

#### Christmas Baskets

As in years past, we ask you to join us in extending a helping hand to the needy families of the Powell Valley this holiday season. Any contribution, large or small, would be greatly appreciated. We'll accept donations after Thanksgiving. We ask that they be placed under our Giving Tree in the entryway.
